

Town of Kilmarnock

Council Committee Notes – Emergency Preparedness

Date: May 3, 2010 **Time:** 8:30 AM **Location:** Town Hall **Chair:** Councilmember Johnny Smith
Attendees: Councilmember Smith, Chief Mike Bedell, Town Manager Tom Saunders

Notes on Discussions:

1. Discussed the recent LCEP quarterly meeting, in which the Town was represented by TM Saunders and Chief Bedell. There are several training events planned for the summer. Pending changes in the Lancaster County radio system may result in temporary communication outages sometime in the next few weeks. The Middle School is still not able to function as an emergency shelter due to generator problems so for the time being the YMCA is the primary shelter.
2. Saunders reported that two of the town's wells and all of its sewer lift stations are now served by standby generators in order to keep things working in the event of an area wide power outage.
3. Chief Bedell reminded Chairman Smith that the theme of the "First Fridays" event to take place May 7 in Kilmarnock is "First Responders".
