

**Town of Kilmarnock**  
**Council Committee Notes – Emergency Preparedness**

**Date:** July 13, 2009 **Time:** 3 PM **Location:** Town Hall **Chair:** Councilmember Gary Anderson

**Attendees:** Councilmember Anderson, Town Manager Tom Saunders, Police Chief Mike Bedell

**Notes on Discussions:**

1. Discussed Sunday's (July 12, 2009) violent thunderstorm that caused damage in Irvington, Weems and upper Lancaster, yet no damage at all in town and how town staff could be totally unaware of events outside of town that could still have an impact on the town. Discussed ways to improve communications with police, especially on the weekends.
2. Two new generators have been delivered to replace aging units at Harvey Lane and Norris Pond sewer lift stations and Noel's Electric should start hooking them up soon.

**Recommendations to Council:**

None at this time

**Recommended for further study:**

The committee asked staff to improve lines of communication with county Emergency Coordinator Scott Hudson and report back next meeting.
