Discussion items:

1. The committee reviewed KPD stats.
2. The committee discussed the Memorandum of Understanding between KPD and Community Services Board. Town attorney Stamm is still researching several matters. Our insurance carrier, VML Insurance, is not supportive of the workers compensation liability remaining with the Town when our officers are working there. The Town's position is supportive of the center as a drop off point but will not sign the MOU for employing our officers there.
3. The committee was updated on the RFP responses on video security cameras. Two bids were received with the local bidder, The Locksmith, from White Stone, VA as the low bidder at \$14,150. The committee's recommendation is to accept the bid from The Locksmith.

FYI:

1. Officer Dan Brooks continues to improve in his recovery.

Recommendations to Council:

1. **Motion to accept the bid of \$14, 150 from The Locksmith for the installation of security cameras along Main Street.**
