Discussion Items:

1. The committee welcomed Mr. Straughan, incoming chair, and held a general discussion about the status of the existing town hall and various options for replacing it. The committee asked staff to develop some information for its review at the next meeting and instructed staff to hold off on any site plan work at the present town hall until it has time to make a decision.
2. The committee reviewed design/program criteria for a replacement town hall and gave staff guidance for working up a provisional design that can be used in an RFP.
