Notes on Discussions:

Discussion items:

1. TM Saunders reported that the enclosure he has ordered to help with blower noise abatement at the WWTP has not yet been received but he has been told it will arrive before the middle of the month.
2. Saunders advised the committee that the Wiggins Avenue sewer force main replacement RFP is out for bids and there has been a good amount of interest in the project from area contractors. Bid opening is scheduled for Feb. 22.
3. Saunders reported that the local firm that has provided sewer line cleaning (jetting) service to the town has gone out of business and he is in the process of lining up a replacement contractor and discussing other options.
4. Staff reports: Pat Chenoweth, WWTP & Wayne Kent, Utilities, reported that their departments were not experiencing any problems at this time.

FYI Only:

1. Well #1 pump house demolition RFP has been released for the second time.
