

TOWN OF KILMARNOCK
Council Committee Notes –Water\Wastewater

Date: March 2, 2012 **Time:** 9:30 AM **Location:** Town Hall

Town Council Member Attendees:

X = present

Chair: Council Member Rebecca Nunn _x_
Mayor Raymond Booth _x_
Council Member Denis Bouslough __

Town Staff Attendees:

Town Manager Tom Saunders _x_
Pat Chenoweth, WWTP Supervisor _x_
Wayne Kent, Utilities _x_

Visitors: Bill Rosenbaum, Progress Engineers

Notes on Discussions:

1. TM Saunders reported that the enclosure the Town has purchased to reduce blower noise at the WWTP has arrived and is being assembled as time permits.
2. TM Saunders informed the committee that the contract with Franklin Mechanical for the Wiggins Ave. force main replacement is in the process of execution. He expects work to begin in the next 30 days.
3. Mr. Saunders reported that a claim for reimbursement by a Waverly Avenue resident for damages related to blocked sewer line has been forwarded to the Town’s insurance company for investigation.
4. Mr. Saunders reported that he is still waiting for Tri-State Utilities to perform a video inspection of the recently discovered 6” terra cotta sewer line on Waverly. A decision on how to rehabilitate or replace this line depends on what is discovered.
5. Mr. Saunders advised the committee that he and the Public Works staff continue to look into options for procuring sewer line jetting services.
6. Mr. Saunders reported a recent episode of sewer line blockage on Chase Street and the potential need to replace a section of line in that area. He and Mr. Rosenbaum will investigate further and report their findings at a later meeting.
7. Pat Chenoweth, WWTP and Wayne Kent, Field Utilities, reported that all has been as expected in their respective areas, with no upsets or system failures for the last month.

FYI Only:

1. Well #1 pump house demolition should take place soon.

Recommendations to Council:

Action item(s):

Recommended for further study:
