

TOWN OF KILMARNOCK
Council Committee Agenda –Water\Wastewater

Date: June 5,2013 **Time:** 9:30 AM **Location:** Town Hall

Town Council Member Attendees:

X = present

Chair: Council Member Rebecca Nunn X
Council Member William Smith X
Council Member Howard Straughan X

Town Staff Attendees:

Town Manager Tom Saunders X
Pat Chenoweth, WWTP Supervisor X
Wayne Kent, Utilities X

Visitors: Bill Rosenbaum, Progress Engineers

Discussion Items:

1. B. Rosenbaum relayed VDOT’s response to the site plans submittal for the replacement main on Dogwood & Chase Streets. We expect to be able to release the job in late June\early July.
2. All work is completed on the Wiggins Ave. pump station generator. It is expected to be on line 6\5\13.
3. The School St. lift station pumps are back to normal operating conditions.
4. There have been no further sewer developments along Augusta Street properties.
5. Staff reports:
 1. Pat Chenoweth,WWTP: The planned lab inspection on 6/1 went well. The State continues to place more demands on smaller service providers in an effort to consolidate localities into larger, centralized labs.
 2. Wayne Kent, Utilities: Nothing to report.

FYI Only:

1. Consumer Confidence Report was posted to website on May 17th and announced on May and June utility billings. We will not be required to mail to our service locations or post in local newspapers.

Recommendations to Council:

Action item(s):
