**Notes on Discussions:**

1. TM Saunders reported no change in the status of the Town’s emergency preparedness. All elements are in operating condition and regularly monitored. He described Kilmarnock’s role in responding to a natural disaster or emergency and all agreed that there are no additional steps or actions required at this time.
2. The committee agreed that unless something changes in the Town’s emergency preparedness situation there would be no need to hold a meeting in August.
