Discussion Items:

1. The committee discussed the condition of the town’s Holiday decorations and recommended purchasing some replacements while the off-season discounts are available.
2. The committee discussed the status of the “Chilton Street Alley” between Claybrooke and Roseneath and recommended that minor surface repairs be made but that the town enter into a maintenance agreement with adjacent property owners for future reference.
3. The committee discussed a recent inquiry from a developer concerning any town interest in leasing parking spaces near Main Street. No action was recommended.

FYI Only:

1. VDOT has moved truck route signs on west end of town to make them more visible to incoming truckers.
2. Solicitation for this year’s hanging basket sponsors in downtown will begin soon.
3. VDOT has hired someone to remove beavers from Norris pond. This should have no impact on access to Baylor Park.
