Discussion items:

1. The responses from the engineering/architecture RFP for People’s Park design have been received with reviews underway. Interviews with most probable selection to occur. Will have a recommendation at April’s committee meeting.
2. The committee reviewed FY16 budget preparations and the proposed Capital Improvement Plan. A public budget work session is planned for Thursday, March 26th at 6:30 PM at Town Hall.
3. The committee discussed the positive feedback on snow removal as well as the improvements in access to our wells and lift stations during the recent weather. Hats off to PJ Jones, Antwon Butler and Matt Self for their hard work in clearing the snow.

FYI:

1. Staff continued to have dialog with Manny Jimenez regarding sidewalks on the west side of Main from Wiggins Avenue to downtown. We have sidewalks on this stretch of Main Street but they are on the east side.
2. Habitat for Humanity’s groundbreaking for 4th and final house on Wiggins Avenue is Friday, March 20th at 12 noon. All Town Council members are invited.
