Notes on Discussions:

1. The Committee discussed the potential for erecting a War Memorial on the Town Centre lot or in some other appropriate location to honor Kilmarnock's veterans. It was stated that the names of Kilmarnock residents who died in action during World War 1 and subsequent wars should have their name inscribed on the monument, but that the monument/memorial would honor all veterans.
2. The Committee encouraged TM Saunders to make progress on plans for a town hall building to be built on the same lot as the current town hall.
