Notes on Discussions:

1. TM Saunders reported that he had met with representatives of two land planning/site design firms and is expecting proposals soon.
2. TM Saunders reported that he and Councilmember Moubray met at the Town Centre lot recently and agreed that the best site for a dog park is the back left corner. They marked off a section that amounts to about three quarters of an acre. The Committee discussed at length details connected with creating the park on the lot. Roxie Moubray has gathered quotes on fencing and other accessories and made a presentation to the Committee. TM Saunders is going to consolidate the information and make a staff report at the Council meeting.
