All Kilmarnock Parks and Restrooms Closed

In cooperation with Governor Ralph Northam, the Town of Kilmarnock is closing all public parks and facilities until further notice. This plan is being placed into effect on Sunday 3/29/2020, to help decrease the spread of COVID-19 and help keep our residents, businesses, and community safe. This means that Town Centre Park is completely closed as well as the Joe Curry Memorial Park located on Waverley Ave. All amenities including the dog park, walking paths and restrooms are closed as well.

During this difficult time, it is important not to panic. Town staff is still working to ensure essential Town Services are maintained with minimal disruptions. Town Hall will continue to be closed to the public but staff is available by phone at 804-435-1552 for assistance as well as www.kilmarnockva.com/ for more information. A payment drop-box is located at the back of the Town office building and all paperwork can be found on our website or in the breeze way at Town Hall.

The town has created a web page to provide Town of Kilmarnock residents, employees and businesses with up-to-date information regarding the town's response to COVID-19. Please visit www.kilmarnockva.com/covid-19 for more information. The town will also continue using its social media pages to disseminate information to the general public.

If you have any questions or need assistance regarding park closures, please call Ashley Jones at 804-435-1552 X 30 or email at ajones@kilmarnockva.com.
